### NEWS IN THE CHURCH

#### [Respect for Diversity of Faiths](#)

**SALT LAKE CITY** 18 April 2008

A respect for the diverse beliefs and unique contributions of all the world's faiths is one of the hallmarks of Mormonism. From the earliest days of The Church of Jesus Christ of Latter-day Saints, Joseph Smith elevated the principle of religious liberty and tolerance: "We claim the privilege of worshiping Almighty God according to the dictates of our own conscience, and allow all men the same privilege, let them worship how, where, or what they may" ([Articles of Faith 1:11](#)).
