

New General Conference "Invite Others" Page

Written by Fernando Camillo
Friday, 16 March 2012

A new resource is now available to help members invite others to watch or listen to general conference. The ["Invite Others" page](#) is available on the general conference page of LDS.org and on the [Church's official Facebook page](#) . Along with an [introductory YouTube video](#) that can be easily shared through several social networking platforms, banners and widgets are also available for those willing to place these on their websites or blogs.

Widget

Small—200px wide
`<iframe width="200" height="230" scrolling="no" allowtransparency="true" src="http://lbc`

Large—300px wide
`<iframe width="300" height="275" scrolling="no" allowtransparency="true" src="http://lbc`
