

Upgrade: Help Test Beta Site

Written by Cassie McDaniel
Monday, 06 April 2009

The LDSTech site is undergoing an upgrade. The upgrade will not affect the LDSTech Wiki or the LDSTech Forums. The upgraded site will have improved navigation. Irrelevant or outdated content will be removed. Before we release this change, please view the [beta site](#) . Check for broken links, formatting, and other bugs throughout the site. Report any problems to tech@ldschurch.org

.
